Send to executiveofficer@outdoorswa.org

Outdoor Education Australia in association with Outdoors WA welcomes all prospective delegates, sponsors and presenters to the 16th National Outdoor Education Conference to be held at Notre Dame University in Fremantle, Western Australia from January 10 to 13, 2010.

The Conference provides an excellent incentive to bring friends, partners and families to Western Australia for a relaxing summer holiday and an outstanding professional development experience. Perth experiences mid-summer conditions in January, making for hot days and glorious summer nights!
