

# Certificate IV in Outdoor Recreation

*A partnership between TAFE NSW Western Institute and The Outdoor Education Group*

*Want a career path working in the exciting Outdoor Recreation Industry? (and be employed part time while you study)*

The Certificate IV in Outdoor Recreation enables you to work as an unsupervised leader in the outdoor recreation industry.

OEG and TAFE NSW are offering a unique opportunity where you can be employed by OEG and study for your Cert IV through TAFE at the same time.

The Certificate IV course provides you with the opportunity to challenge yourself physically, emotionally and mentally and gives you the chance to acquire confident leadership skills. You will develop judgement, technical skills and prudent safety practices, as well as the interpersonal skills required to teach and lead others in the outdoors.

Skill specializations and electives include:

- ◇ Bushwalking
- ◇ Canoeing
- ◇ Rock Climbing and Abseiling
- ◇ Low and High Ropes Courses
- ◇ Mountain Biking
- ◇ Adventure Based Learning
- ◇ Cross Country Skiing
- ◇ White Water Rafting
